

About This Exhibit

PIVOT is a studio glass exhibition exploring works that reflect an individual's shift and creative change in artistic development, abilities, personality, interests and story. The aim of the exhibition is to display works of art which reveal a “Pivotal” moment in the artist career path, process, and/or artistic direction. Work that represents a bold, new path of expression by the artist and communicates this shift in a visual exchange between artist and viewer.
